- Preventing Patient Falls, JM Morse, 159
- Reengineering of Operative and Invasive Services: Preparing for the Capitated Dollar, MT Moss, 100
- Renegotiating Health Care: Resolving Conflict to Build Collaboration, 297
- Research for the Health Professional: A Practical Guide, 2nd ed., DM Bailey, 102
- Role of the Preceptor: A Guide for Nurse Educators and Clinicians, J Pieri-Flynn, 57
- Systems Challenge: Getting the Clinical Information Support You Need to Improve Patient Care, NA Kreider & BJ Haselton, 297
- Toolbook for Health Care Redesign, RI Hansten & MJ Washburn, 298
- Your Dollars, Your Health: Healing Strategies and Skills, RG Swartz, G Peske, & K Pennebaker, 252

C

Cancer education, rural communities, nursing education project mobile unit, 237
Capitation, teaching managed care to hospital staff, 240
Case manager, teaching managed care to hospital staff, 240
Charge-back system, costing nursing education programs, 227
Clinical expertise, nurse educator, 169
Clinical nurse educator, 169
Collaboration
- consortium approach to intravenous therapy certification, 277
- experience with "research by committee," 244

Committee, experience with "research by committee," 244
Communication skills, nurse educator, 169
Competency-based practice, cross-training for obstetrics using an internship program, 154

Computer technology
computer-based instruction for pre/post HIV test counseling, 69
computer use in staff development, 117
pharmacology review for private duty nurses using computers and self learning concepts (*Focus*), 95
Consortium, consortium approach to intravenous therapy certification, 277
Continuing education
art and science of teaching rounds, 127
costing nursing education programs, 227
creating an educational videotape, 261
critical thinking, 267
developing self-directed learning modules, 17
education handouts, 176
experience with "research by committee," 244
learning needs assessment, 137
orientation with style, 192
staff development specialist participation in continuing nursing education programs, 219
understanding learning styles, 41
workload/outcome measurement for hospital educators, 7
writing learning objectives, 87
Coping, grief support for nursing staff in ICU, 293
Costing model, costing nursing education programs, 227
Counseling, computer-based instruction for pre/post HIV test counseling, 69
Critical thinking
art and science of teaching rounds, 127
improving critical thinking skills in nursing practice, 183
strategies for clinical practice, 267
Cross-training, cross-training for obstetrics using an internship program, 154

D

Death and dying, grief support for nursing staff in ICU, 293
Decision making
critical thinking, 267
improving critical thinking skills in nursing practice, 183
Discharge planning, 47
Documentation, documentation in the "Land of Perfect Charts," 283

E

Editorial, something old, something new, 115
Education
cancer nursing education in rural areas, nursing education project mobile unit, 237
computer-based instruction for pre/post HIV test counseling, 69
computer use in staff development, 117
consortium approach to intravenous therapy certification, 277
costing nursing education programs, 227
documentation in the "Land of Perfect Charts," 283
educational programs for supplemental staff, 188
factors that influence learning in relation to nursing practice, 147
impact of staff development on nursing practice, 198
improving critical thinking skills in nursing practice, 183
literacy and learning for hospital employees, 143
matching teaching/learning style, 192
nursing internships, university faculty participation, 273
obstetric cross-training internship program, 154
patient-focused care, educational approach, 81
pharmacology review for private duty nurses using computers and self learning concepts (*Focus*), 95
role orientation in novice home healthcare nurses, 287
self-directed learning modules, 17, 73
teaching managed care to hospital staff, 240
understanding learning styles, 41
workload/outcome measurement for hospital educators, 7

F

Financial issues, costing nursing education programs, 227
Focus, pharmacology review for private duty nurses using computers and self learning concepts, 95

G

Games, documentation in the "Land of Perfect Charts," 283
Geriatric nursing, impact of staff development on nursing practice, 198
Grief support group, grief support for nursing staff in ICU, 293

H

HIV/AIDS, computer-based instruction for pre/post HIV test counseling, 69
Home healthcare nursing, role orientation in novice home healthcare nurses, 287
Hospital staff
literacy and learning for hospital employees, 143
managed care education, 240
orientation to new patient care facility, 23
workload/outcome measurement for hospital educators, 7

I

Intensive care unit, grief support for nursing staff, 293
Internship
cross-training for obstetrics using an internship program, 154

nursing internships, university faculty participation, 273
Intravenous therapy, consortium approach to intravenous therapy certification, 277

L
Leadership skills, nurse educator, 169
Learning needs assessment, 137
Learning objectives, writing learning objectives, 87
Learning style, 41
Literacy
literacy and learning for hospital employees, 143
reading level of patient education handouts, 176

M
Managed care, teaching managed care to hospital staff, 240
Management skills, nurse educator, 169
Media review
Cross Training: Women's Health Issues, Association of Women's Health, Obstetric and Neonatal Nurses, 61
Developing Leadership Skills, V Cramer & S Walsh (Medi-Sim), 160
Discussing Advanced Directives: A Practical Guide, Picture Business Productions & Jewish Home and Hospice for the Aged, 300
Essentials of Cardiac Rhythm Recognition, Medi-Sim, 207
Pills, Powders, Potions: Pharmacology Fun, HS Charron, P Korte & ML Miller (Medi-Sim), 105
Scientific Calculations: The Dimensional Analysis/Label Factor Method of Solving Drug Dosage Problems, HS Charron & P Korte (Medi-Sim), 253
Models/modeling
costing nursing education programs, 227
research-based model of nursing orientation, 31

N
National Nursing Staff Development Organization (NNSDO), position statement, education in healthcare settings, 162
Needs assessment survey
computer use in staff development, 117
learning needs assessments, 137
Nurse educator
discharge planning, 47
improving critical thinking skills in nursing practice, 183
learning needs assessments, 137
role in clinical setting, 169
understanding learning styles, 41
writing learning objectives, 87
Nursing judgment, improving critical thinking skills in nursing practice, 183

O
Obstetric cross-training internship program, 154
Oncology, cancer nursing education in rural areas, nursing education project mobile unit, 237
Orientation
orientation with style, 192
orienting hospital staff to new patient care facility, 23
research-based model of nursing orientation, 31
role orientation in novice home healthcare nurses, 287
Outcome measurement
impact of staff development on nursing practice, 198
workload/outcome measurement for hospital educators, 7

P
Pain management, art and science of teaching rounds, 127
Participation Reasons Scale, staff development specialist participation in continuing nursing education programs, 219
Patient education
creating an educational videotape, 261
education handouts, 176
preoperative teaching in preadmission clinic, 52
Patient-focused care, educational approach, 81
Pharmacology, pharmacology review for private duty nurses using computers and self learning concepts (*Focus*), 95
Phenomenologic research, factors that influence learning in relation to nursing practice, 147
Political savvy, nurse educator, 169
Preadmission clinic, preoperative patient teaching in preadmission clinic, 52
Preceptors
matching teaching/learning style, 192
nursing orientation, 31
Private duty nurse, pharmacology review for private duty nurses using computers and self learning concepts, 95
Problem solving, critical thinking, 267
Prospective payment, teaching managed care to hospital staff, 240

R
Reading skills, utility of patient education handouts, 176
Record keeping, documentation in the "Land of Perfect Charts," 283
Reimbursement, teaching managed care to hospital staff, 240
Relfection, improving critical thinking skills in nursing practice, 183
Research
discharge planning, 47
experience with "research by committee," 244
factors that influence learning in relation to nursing practice, 147
learning needs assessments, 137

research-based model of nursing orientation, 31
Revenue generation, educational programs for supplemental staff, 188
Rural healthcare, cancer nursing education in rural areas, nursing education project mobile unit, 237

S

Self-directed learning modules, 17, 73
Socialization, role orientation in novice home healthcare nurses, 287
Staff development
computer use in staff development, 117
cross-training for obstetrics using an internship program, 154
developing self-directed learning modules, 17
factors that influence learning in relation to nursing practice, 147
impact on nursing practice, 198
nurse educator role in clinical setting, 169
Staff development specialist
discharge planning, 47
orienting hospital staff to new patient care facility, 23
participation in continuing nursing education programs, 219
Stress debriefing, grief support for nursing staff in ICU, 293
Supplemental staff, educational programs for, 188

T

Teaching rounds, art and science of, 127

V

Videotapes. *See also* Media review
creating an educational videotape, 261

W

Workload measurement, workload/outcome measurement for hospital educators, 7
